I understand that by paying the \$150 exemption fee per event only provides the eligibility of the contestant to be awarded the event exemption to the **2022 RFD The American Semi-Finals** event. The winner of the exemption will be determined by the AJRA World Champion standings and paid exemption fee. Points counted towards the exemption will only start accumulating once the exemption fee (\$150) has been paid. The exemption fees collected for each event will be used to pay the semi-finals entry fee of \$1,500. If \$1,500 has not be collected to cover the entire entry fee, the winner of the exemption will have to pay the difference. The AJRA member winning the exemption must wear supplied AJRA patches during their RFD The American Semi-Finals competition runs.
